Welcome to the International Office!

At HSBI, we are the contact point for all those who are enthusiastic about international exchange. Our team provides advice and assistance to support students and staff interested in stays abroad or at HSBI.

Do you have any questions or suggestions? Then please contact our team. We look forward to welcoming you!

WAYS ABROAD

Would you like to broaden your horizon abroad, but you don't know where exactly and how? Whether in the context of studying or doing an internship abroad, a teaching visit or further training abroad – we will be happy to assist you in organising and financing your stay.

Stays abroad for students

We provide students with information, advice, checklists and more for the organisation and financing of semesters and internships abroad as well as short stays.

Staff mobility for training and teaching

We inform and advise HSBI employees on the organisation and financing of teaching visits and further training or continuing education at European universities or companies within the framework of Erasmus+.

WAYS TO HSBI

Would you like to come to HSBI for a full degree or a shorter stay? Whether you are interested in studies, a teaching visit or a research stay, you will find comprehensive information on application, studies and life at HSBI on the following pages.

Bachelor's and master's degree studies

We provide prospective international students who want to complete a full degree at HSBI with information, advice, answers to frequently asked questions and more – starting at the application and admission procedure, during studies at HSBI and right up until they transition to employment (GlobalFIT project).

International exchange students

We provide exchange students who want to spend one or more semesters at HSBI with information, advice and guides around studies at HSBI, living in Germany, scholarships, German courses and more.

Displaced students

We provide displaced students with information and advice on preparatory German courses, study-related offers, scholarships, answers to frequently asked questions and more, so that they can continue their studies.

International scholars and researchers

Through our Welcome Center, we provide international scholars and their hosts at HSBI with advice on all organisational issues, assistance in dealing with the authorities and opportunities for networking.

INTERNATIONAL STRATEGY

All measures to make HSBI more international are based on "Freiräume", the International Strategy 2020–2030 with the following four key objectives:

- Positioning HSBI as an institution that is open to the world
- Providing international experience for all students
- Qualifying international students
- Internationality in research and transfer
